To the heads of higher education institutions  
(according to the list)

Open Mathematical Olympiad  
of the Belarusian-Russian University

Dear Colleagues,

We would like to notify you of the 11<sup>th</sup> Open Mathematical Olympiad of the Belarusian-Russian University (International Student Olympiad) which is scheduled to be held at the Belarusian-Russian University (Mogilev, Belarus) on **February 19-21, 2020**.

Teams of higher education institutions composed of not more than two participants (undergraduates or postgraduate students) and one supervisor are invited to take part in the Olympiad.

We would like to draw your attention to the following information:

- the Olympiad will be held as a competition with individual classification;
- winners (holders of gold, silver and bronze medals) of the Open Mathematical Olympiads of the Belarusian-Russian University held in the past years may be additionally included into the HEI team over the quota (two participants);
- the Olympiad is supposed to be held in one round in the form of testing (30 tasks in the form of tests to be fulfilled within 5 hours);
- the tasks will contain problems from the following areas of mathematics: algebra, theory of numbers, analysis (real or complex), analytical geometry, combinatorial analysis, ordinary differential equations.

Applications for the participation in the Olympiad shall to be submitted to the Organizing Committee before **December 23, 2019** at the address given below (the application form is attached).
